

GRAHAM GRIZZLIES ATHLETICS

Dear Football Parents:

We are super busy preparing for the 2016 High School Football Season here at Graham. During the off season athletes are working hard in the weight room and coaches are preparing schedules, attending strategy meetings, travelling to coaching conferences, building practice plans and working on the logistics of the upcoming season.

During the months leading up to the new season I will be contacting families that still have outstanding fees from the 2015 football season. Unfortunately we still have over \$5000.00 in outstanding fees from last season. As we all know football is very expensive. Transportation costs continue to increase and equipment maintenance is required every year to ensure our student athletes are in the best and safest equipment possible.

This coming year we will be slightly adjusting our payment process for Graham Football. Below I have outlined the payment process for 2016. Please have a look and feel free to contact me with any questions. In addition to the below expectations for the 2016 season it is expected that ALL 2015 fees are paid and all team equipment is returned prior to attending Spring Camp this year.

Student athletes will not be able to participate in any team activities this season if payments have not been made by set deadlines and or alternative arrangements are set up.

2016 Graham Football Payment Expectations

Senior Varsity Football Fee: \$425.00

Junior Varsity Football Fee: \$425.00

Grade 8 Football Fee: \$275.00

Please Note: \$25.00 of the fee goes towards their Annual Football Awards Banquet and \$25.00 covers their Graham Athletics Banquet Ticket)
