Ph: 604-847-0772

Name: _____ Advisory Teacher: _____ Current Grade: _____ *DUE Jan 19, 2018*

To graduate, a student must earn a minimum of 80 grade 10, 11 and/or 12 credits: there are 52 required credits and 28 elective credits.

Please refer to the Grad Planner on the opposite side of this sheet for course planning purposes for your grades' Graduation Program requirements. See you Counselor if you have questions.

To Do:

For your course selections for the 2018/19 school year, please **choose 8 courses** as your first choices to be enrolled in. If any are outside the timetable (eg. Strength and Conditioning, Vocal Jazz, Outdoor Pursuits), please add those in spaces numbered 9 and 10. Do not add CLE or CLC, as this will be done automatically for you in September, as they are completed during Advisory in Compass. You are also required to list **3 alternative courses** as second choice selections in the event you do not get into your first choices.

If you are interested in Work Experience, please check the appropriate box and complete a WEX form **to be attached** to your course selection form. Lastly, please sign the bottom of this form and have your parent/guardian sign as well, before returning this form to your advisory teacher.
