Principal's Message

Good-Bye Mr. Wiseman and Mr. Brooks

On Tuesday, May 29th the school trustees approved several administrator transfers in the Chilliwack School District. Mr. Wiseman and Mr. Brooks were included in the administrator transfers this year. Mr. Wiseman will be at Sardis Secondary School next year and Mr. Brooks will be at Vedder Middle School. I want to thank Mr. Wiseman and Mr. Brooks for the great work they accomplished supporting students and staff at G. W. Graham. I wish them all the best for a successful transition to their new schools.

The new vice-principals for G. W. Graham Secondary School next year are Ms. Ego and Mr. Gibbs. Currently, Ms. Ego is a senior chemistry teacher at Sardis Secondary and Mr. Gibbs is the vice-principal of A.D. Rundle. They are both very eager to be joining our school and are planning on visiting staff and students sometime this month.

The Final Month

We have started the busiest month of the school year! Be sure to check our school website for all of the awards ceremonies and band concerts. Our Commencement Ceremony is on Friday, June 15th. This is a special time of the year where we acknowledge and celebrate the amazing accomplishments of our very talented students.

Students are encouraged to manage their time well in order to finish with a successful second semester. Final projects and exams are worth a lot of marks in some courses, so it is important to remain focused and on top of your work. Please see your school counsellor if you are feeling overwhelmed with end of the year demands. We want all students to enjoy the year-end activities while still finishing a very successful year.

Have a Great Summer

I want to wish the students, staff and their families all the best for a wonderful summer! The school year can be hectic at times, so it is good for families to have time to connect. Enjoy the summer break!
